COMMENTS	Seller has a wonderful, hygiene based practice with large base of recall patients! Refers most procedures. The upside here is huge! No advertising, solid hygiene program and excellent, middle to upper income PPO patients! This area is still growing and this practice is an easy \$1M+ for motivated dentist! Practice is very well kept. Large parking lot. Digital, paperless and scanner for crown and bridge! Flooring is newer, vacuum and compressor less than 3 years old!
