COMMENTS	Seller relocated this practice in 2015 to a larger, streetside location with great building signage & monumnet signage on major intersection! Fully equipped and in excellent condition. This practice is built to the long term & \$2M+ per year! Mostly credit card and financing. Parking is plentiful. Seller does no advertising and has steady base of referral patients and walk-in patients from the shopping center. This is a dream practice for anyone who wants to be in the South Bay!
